_____ Maryville College
_____ Maryville, Tennessee

foreword

From the freshness of freshman frivolity through the solemnity of senior sophistication, we seek to create the foundations for a proper existence. With an eye on the past and a head turned toward the future, each one of us must wear his own cloak of responsibility. We grope through books, through discussions, and through social contacts for the experience essential to living. This, coupled with the sweat of physical exertion and the laurel crown of achievement, forms the basis of our creative endeavors. Therefore, we must strive to develop our potentials to the fullest in every facet of our interests and responsibilities to mankind. As each page of this book has merited the stamp "CREATED," so let every phase of our being merit the self-satisfaction of that which is original because it is ours and that which is worthy because we have done our best. Remember that there is "a world to be born under [our] footsteps. . . ."

"Maybe we can beat the Freshman girls?" . . . There goes that beautiful trophy! . . . Do you want some glitter on your nose? . . . The Freshman Christmas project . . . a great dance! . . . a really cool movie . . . The freshmen provide spirit and talent . . . Do you want to buy a cake for ONLY \$2.75? . . . Well, it's the beginning of many years to come . . . three to be exact . . . Years filled with lasting friendships, fun, and plenty of hard work . . . Ah, IT'S WORTH IT!
